Dear Sirs:

As Mayor of the City of Murphysboro, I write to inform you that at the regular meeting of the Murphysboro City Council held on March 12, 2013, the City Council approved a resolution in support of the two year moratorium on the allowance of horizontal hydraulic fracturing in the State of Illinois as such moratorium is set forth in pending Senate Bill number 1418. This is a matter of serious concern for the citizens of Southern Illinois. We ask that you take very careful steps in enacting legislation that will adequately regulate this activity so as to not endanger the environment of Southern Illinois.

Very Truly Yours,

Ron Williams,
Mayor
